TURNING IDEAS INTO DIGITAL EXPERIENCES

Hasibul Hossain

UI/UX Designer & Full Stack Web Developer

UI/UX Design | Website Development | WordPress | Frontend | Backend

About Me

I am a creative designer and developer who enjoys turning ideas into real digital experiences. I work with UI/UX, graphic design, WordPress, frontend, and backend development to create modern, functional, and user-friendly websites.

Experience

Freelance Web Developer & UI/UX Designer — 2024 – Present

Self Employed

- Designed modern and user-friendly UI/UX for websites and apps.
- Developed responsive websites using HTML, CSS, JavaScript.
- Worked with WordPress for business and personal websites.

WordPress Developer — 2021 – Present

Remote

- Built and customized WordPress themes and plugins.
- Managed website content, SEO and performance optimization.

Education

Diploma in Computer Technology — 2021 – 2022

Codersfondation

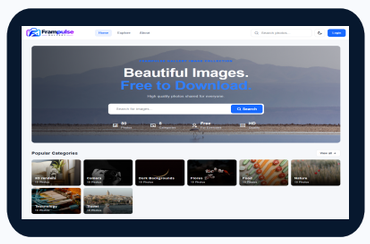

- Web development, design, WordPrass and computer fundamentals.

Higher Secondary Certificate (HSC) — 2015 – 2017

Chota Sarifpur College

- Completed HSC with good results.

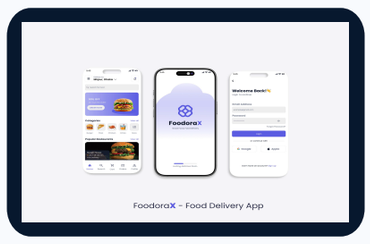

My Projects

Frampulse – Image Gallery

A modern image gallery platform where users can view and download high-quality images. Features a clean UI, seaech, and category filters.

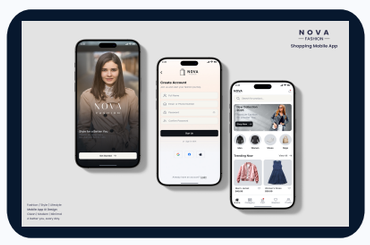

HTML · CSS · JavaScript · Responsive
